MEMORANDUM FOR: Deputy Director for Intelligence

FROM   :   [   ]   25X1
                 Deputy Chief
                 Technology Transfer Assessment Center

SUBJECT   :   Status of the Export Administration
                 Act Renewal [   ]   25X1

1. I have attended several meetings of the Advisory Committee on Export Policy (ACEP) core working group, chaired by Commerce, on revision of the Export Administration Act. As you recall, the DDCI attended the kick off session at an Under Secretary's group meeting on 26 August 1982. [   ]   25X1

2. The recommendations of the core group, keyed to the current Act, are attached. I will forward these to [   ] in the General Counsel's office for his review. My understanding is that OGC does not need to be closely involved until the recommendations are closer to final approval. There are no proposed changes so far that affect the equities of the Intelligence Community, specifically, any proposed changes that would require additional community resources to support provisions in the Act. The attachment will be available in the TTIC Secretariat and members will be notified so they can have an opportunity to comment. [   ]   25X1

3. The next steps in the review process are an ACEP meeting that probably will be scheduled about 12 January to review the attached recommendations followed by an Under Secretary's meeting the last week of January to agree on an Administration version. [   ] 25X1

4. <u>Recommendation</u>: That I attend the upcoming ACEP meeting on your behalf and prepare a subsequent briefing package with OGC for your or John McMahon's attendance at the Under Secretary's meeting. [   ] 25X1

                                            25X1
